'ALL NIGHT LONG' was the comment from A-Fletch 54 after he drove the Don linebacker into the dirt - and that told the story for the night. The offensive line of 75 Garrett Stoudt, 53 Patrick Arnold, 52 Nathan Sarreal, 54 Adam Fletcher and 72 Bryan Luna punished the Don 'D' line and linebackers the entire game. After Bryan got dinged up, 71 Bobby Beccerra came in and the Falcons didn't miss a beat. Add that drubbing to the offensive skill talents of # 2 Marro Lee, 3 Nikko 'the ballcarrier' Domingo, 4 Kevin Fernandez, 5 Mark Sereno, 7 Zac Wilkerson and # 8 Nick 'Sticky Hands' Ruiz & the Falcons easily tallied 129 yards passing / 4 TD's & 188 rushing for an additional score. The Falcon defense put pressure on the Don QB all night. With his bright shoes looking like a field of penalty flags, he ran for his life when he wasn't being sacked by #10 Alec Traber (who also had 2 Hurries) or 88 Justin Springfield. # 40 Ryan Fitzgibbons, 66 Michael Lim, 52 Sarreal and 75 Stoudt ganged up for half sacks. 57 Armen Pashai forced a fumble that 12, Paul Perigini recovered and refused to let go as he bulled his way near the goal line & 54 Fletcher recovered a loose ball on offense. Top contributors on D were 21 Wes Berg 3 solo, 3 assists, 30 Tyler Martinez 3 & 2, 41 Chris Fierro 3 & 4, 31 Christian Daza 2 solos, 53 Arnold 2 assists, 72 Luna 1 & 2, 74 Andrew Kiorkoff 2 & 2, 75 Stoudt 2 & 1. Can't do it alone column adds 45, Eric Unruh 1 & 2, 47 Josh Lacey 2 assists, 68 Dakota Tavizon 1 assist, 80 Levi Walker 1 assist and blanket corner coverage. More than a game: Not surprising to view 53 & 54 making a direct line from the field to the bench to check on 72. This trio is at the core of leadership for a reason.
