Play Flat? Maybe a little in the first half - Play Fat? Falcons sing the song of the Gong, again!

With a blatant fear of the Falcon pass defense, the Nitro's had a barefaced desire to kept the ball on the ground, and combined with the juggernaut Falcon turf attack, the first half blinked by quicker than a stone rabbits sneeze, tied 7 - 7 at half. Then came **Falcon Fury!**

On 4 of 5 possessions Big Blue punched through the invisible barrier for 4 td's: Marro Lee chalkin' 2 (&137 yds) and Zac Wilkerson 1, with strong 'backside' assist from blocking beast Kevin Fernandez. # 47 Josh Lacey ran for revenge, 22 yds on 4 carries to set up QB Paul Perugini for a short td. Add 65 more yds on 11 carries by Nikko Domingo, Mark Sereno and Sean Johnson + 53 receiving yards on 4 grabs by Kevin, Mark and Nick Ruiz.

The Falcon defense tutored the Nitros with counting and kicking: 1,2,3 punt; 1,2,3 punt; 1,2,3 punt - what nice boys we have raised. On Glendale's 4th and final possession, a fumble by the QB on the snap leading to a broken play allowed for a little respite - very little. A-Fletch, sliding over from DE to NG for Ben Thomason, anchored the D line with mates Garrett Stoudt and 71 Bobby Beccerra, while Bryan Luna wreaked his brand of havoc - 6 solo & 3 assisted tackles, free to destroy 'cause of the strength of Sr. Backers, 21 Wes Berg, 41 Chris Fierro, 53 Patrick Arnold and Defensive Backs, 3 Nikko Domingo, 10 Alec Traber (heads up fumble recovery) and 30 Tyler Martinez. All Clear - Nitros De Fused!!
